

REMARKS

The Office Action dated May 4, 2005 has been received and reviewed by the applicant. Claims 1-6 are in the application. Claims 1-5 stand rejected and claim 6 stands objected to. Claims 1 and 6 are amended. Reconsideration is respectfully requested.

Claim 6 stands objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. In this regard, claim 1 is amended to include the majority of previous claim 6. It is respectfully requested that an early Notice of Allowance be submitted.

Should the Examiner consider that additional amendments are necessary to place the application in condition for allowance, the favor is requested of a telephone call to the undersigned counsel for the purpose of discussing such amendments.

For the reasons set forth above, it is believed that the application is in condition for allowance. Accordingly, reconsideration and favorable action are respectfully solicited.

Respectfully submitted,
